TO BECOME
Tomorrow's Leaders

What is the Florida State Fair Champion of Champions Program?

The Florida State Fair is proud to offer unique youth agricultural programs called Champion Animals and Champion Youth Exhibitors. The Champion Animals program recognizes and rewards the youth that raise and exhibit champion animals. This emphasizes the importance of champion animal genetics, breeding and animal husbandry, as well as the tradition of livestock competitions at Fairs around the nation. The Champion Youth program also recognizes and rewards Youth Exhibitors for participation in a wide variety of educational events and tasks. These include practicing record keeping, participating in hands-on skillathons, creating educational posters, attending workshops, submitting completed entry forms, and more. Points are earned by attending these events, and the top 32 Senior Exhibitors with the most points at the end of the Fair are selected to compete in the final Round Robin competition.

The final competition culminates in the prestigious Champion of Champions banquet. Here, the program's exhibitors are recognized for their hard work, and the program's sponsors are thanked for their support.

"You have made a big impact on my future, and I cannot thank you enough for everything - including your support with the Champion Youth program."

-Bryce, Apopka, FL

"Without this support, opportunities for students to gather and learn would not be possible. Programs like this allow students to interact with and educate the public that visit our exhibits in the different types and breeds of agricultural animals."

-Mikayla, Tampa, FL

"I am very blessed to have been able to take part in this outstanding program and plan to do so again next year. Thank you so much for your part in making this program possible."

-Layne, Live Oak, FL

"I am so thankful that you are helping the youth learn an important life skill that I have found very helpful in preparing me for life as an adult."

-Cheyenne, Hawthorne, FL

How will your partnership be used?

Your partnership will support Youth Exhibitors by funding Achievement Premiums. When Youth Exhibitors earn points by attending educational events, they can convert their points into monetary Achievement Premiums at the conclusion of the Fair. Your partnership dollars help directly reward the 4-H and FFA Youth exhibitors for their hard work and encourage future profitable agricultural projects.

How will your support help?

Your support will benefit over 1,200 future leaders from across the state by encouraging their interest to pursue one of the most fundamental traditions of the Fair. By becoming a sponsor, you can help keep the practice of exhibiting champion animals alive for future generations to come.
