INTERPRETATION OF RULES

The management of the Florida State Fair reserves the right to amend, add to and interpret the following Rules and

Regulations; and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with or incident to the Fair.

ELIGIBILITY

1. Only Florida residents that are bona fide 4-H or YLPA members (8 years old or older, as of September 1, 2022), and FFA members will be eligible to enter. All entrants must be currently active in the 4-H Club Program, YLPA Club Program or the Vocational Agricultural Program in Florida. Anyone having currently graduated from High School, dropped out of High School, or is currently enrolled in an Agriculture Class, but not attending class, shall be **ineligible** to enter or show. FFA Chapter, YLPA Club and 4-H Club entries will be accepted. Chapters and Clubs must be valid clubs and in good standing with their local & state organizations.

2. Only females of the five major dairy breeds may be shown. Grade animals must possess characteristics of their particular breed. Crossbred animals are not allowed.

3. Breed Association papers are preferred and highly recommended.

4. Grade animals must have a grade identification certificate. For further information on this program, contact: Chris Decubellis, UF-IFAS Dairy Extension, at (352)846-4444 or cdecube@ufl.edu.

5. Animals must be in the ownership, possession, and care of the Youth exhibitor as of December 1, 2022. Ownership date will be verified by date on Registration, Grade ID papers, and/or Lease Agreement.

6. ALL GRADE IDENTIFICATION CERTIFICATE APPLICATIONS AND LEASES AGREEMENTS MUST BE POSTMARKED BY JANUARY 11TH TO BE VALID FOR THE FLORIDA STATE FAIR.

7. Registration or Grade Identity papers must show the exhibitor to be the SOLE OWNER of the animal unless an official Lease Agreement or a Showman Clarification statement is on file with Chris Decubellis' office (See Ownership Rule #2 in regards to leases). See Lease/Grade ID Information in box in the Ownership section. **PLEASE NOTE: If any name other than the youth appears on the Registration Papers, lease papers must be filed showing the animal is the project of that single exhibitor.**

8. Exhibitors must present the original Registration Paper or Grade ID Paper at the time of Check-in. No animal will be shown without the presentation of these papers. **PLEASE NOTE: Papers must reflect the exhibitor to be the owner of the animal as of December 1, 2022.**

9. It is the Fair's intent to allow chapters/clubs to show in the Youth Dairy Show to provide an opportunity for participation and learning to students who might otherwise not have the opportunity. Chapter animals must be registered in the name of the chapter. However, separate individuals may be designated to show separate animals by paying a separate entry fee for each animal and specifying the student's name in addition to the chapter name. It is required that the student assigned to show that animal must be responsible for the care and feeding of that animal while at the Fair. That same exhibitor (the one that shows the animal in a class) may enter showmanship.

10. Chapter animals must be shown by a member of that chapter.

11. Any exhibitor from a family with an outstanding balance owed to the Fair will not be eligible to show at the Florida State Fair.

CHAPTERS/CLUBS PLEASE NOTE: Chapters/Clubs must designate student(s) that will enter and compete in all events. That student will be the representative for the Show, Skillathon, Record Book Skills Test, Showmanship, and all other competitions. The age of the student(s) will determine the division of their competition (Junior, Intermediate, or Senior). Chapters/Clubs must designate student(s) by January 11, 2023 (hand-delivered, faxed, emailed or postmarked – Metered Mail will not be considered as a valid or legitimate postmark). **If name is not received by January 11, 2023, the animal(s) will be allowed to show and compete for animal premiums ONLY.** The Chapter/Club will not qualify for Achievement Premiums or participation in the Champion of Champion program. **All Chapters/Clubs must have a Federal ID number to enter. The appropriate form is located on the website.**

GENERAL DISPUTES POLICY

With respect to any disputes which may occur with respect to an exhibitor at the show, such disputes shall be handled by the appropriate Livestock Committee (the "Committee") in accordance with the following:

1. An exhibitor may file a protest with respect to another exhibitor for violation of the rules and regulations of the Committee and/or the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics by submitting a written protest (a "Protest") on a form (the "Protest Form") which will be available at the Agribusiness Department. The Protest must include the exact basis, cause and description of the dispute, the name of the protesting exhibitor, the name of the exhibitor being protested, and any materials in support of the Protest as well as any other matters which may be required in the Protest Form, and shall be accompanied by payment of \$50 which shall be refunded only if the Protest is sustained by the Committee. The Protest Form must be signed by the exhibitor (as the protesting exhibitor), and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor's guardian or parent, unless the parent or guardian is not available under circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. Failure to properly sign the Protest Form shall deem the Protest Form incomplete and a nullity, and in such event, the Protest will not be considered. Any Protest must be submitted (and received by the Agribusiness Department) at least two (2) hours prior to the time that the show is scheduled to occur in order to be considered prior to the show. If a Protest is submitted less than two (2) hours prior to the time that the show is scheduled to occur ("a "Late Submittal"), then the Committee will handle the Protest after the show in accordance with its rules and regulations and the IAFE National Code of Show Ring Ethics, but the Late Submittal shall not affect the award of ribbons for the show. In order to minimize disruption to the show, an exhibitor who intends to file a Protest should do so at the earliest feasible time. In any event, a Protest must be filed with the Agribusiness Department prior to the scheduled release hour for the protested exhibitor's animal in order to be considered.

2. The Agribusiness Department will forward any Protest Form which is duly signed (by an exhibitor as the protesting exhibitor, and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor's guardian or parent), and any accompanying materials submitted by the protesting exhibitor in support of the Protest to the Committee for its consideration. The Agribusiness Department will also notify the exhibitor being protested of the Protest as soon as reasonably practicable after the Protest has been duly submitted, and make available a copy of the written Protest to the exhibitor being protested. The exhibitor being protested may, but shall not be required to, provide a written response to the Protest (a "Response") by submitting a Response to the Agribusiness Department, including any materials in support of the response to the Protest, and the Agribusiness Department shall provide the Response to Committee. A Response shall be on a form obtained from the Agribusiness Department, and must be signed by the protested exhibitor, and if the protested exhibitor is a minor, the Response must also be signed by the protested

exhibitor's guardian or parent, unless the parent or guardian is not available due to circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. The Agribusiness Department shall make available a copy of the Response to the protesting exhibitor upon request by the protesting exhibitor, but it shall be the protesting exhibitor's responsibility to monitor the Protest and to obtain a copy of the Response. IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible

persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample or urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or irritant substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions,

including *Fairs and Expositions* and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. - a. Related to the Skillathon topic for current year.
- b. Within the time limit:
 - Juniors – 3 to 5 minutes
 - Intermediates – 5 to 7 minutes
 - Seniors – 7 to 10 minutes
- c. Introduction – Body – Summary
- d. Use the judging sheet to assist in your preparation

2. Resources on 'How to Do an Presentation'

- a. *Visual Communication*, Ricky Telg, Professor UF/IFAS CALS
<https://edis.ifas.ufl.edu/publication/WC101>
- b. *4-H Presentation Manual*, University of California. <http://4h.ucanr.edu/files/2193.pdf>
- c. *Do a Visual Presentation*, Stacey Ellison, Regional Specialized Agent Florida 4-H.
<http://edis.ifas.ufl.edu/pdffiles/4H/4H16300.pdf> 4HGCO59

3. Preparing to Video

- a. Equipment
 - Video Camera, Camera with video ability
 - Microphone
 - Tripod
 - Lights
- b. Person to shoot the video
- c. Set-up of your video location
 - Small room – normal 8' ceiling height
 - Place your demo table in front of a blank wall
 - Place an easel/screen to one side
 - Make sure the light source is to the camera's back
- d. Filming
 - Film at time without distracting noise, traffic, phone ringing, etc
 - Make sure your outfit is **official show attire** (required) and that it does not bleed into the wall color.
 - Straight shots: Introduction – middle and ending
 - Overhead shots: Specific "how-to" in the middle
 - film overhead shots separately and edit into the main video
 - move the tripod to table and turn the camera looking down on the table; here you can shoot your hands putting items together and get a better video of what you are doing.
- e. Audio
 - A good video has an excellent audio. Types of microphones are **lavaliere** (clip-on), **hand-held** and **shotgun** (very long and attach to camera- very sensitive). Many cameras have audio, check if an external microphone such as a lavaliere can be used. Test your internal microphone before filming. If you can use an external microphone, a lavaliere microphone is suggested. It allows for movement as you demonstrate.

f. Lighting

Test the lighting in the room for a sample video shot. Will it wash out the speaker or cast shadows? Secure external lighting to highlight the speaker and table. The lighting should be parallel to the camera towards the film area.

4. Lights – Camera – ACTION

- a. Practice first before shooting
- b. After a few practice runs, now shoot a sample
- c. Review the video

Does it appear seamless?

How is the lighting? Are there problem areas to fix?

Is the audio clear and understandable?

Check the timing – are you within the limits?

Does the video flow well and easy to follow?

- d. After fixing any parts of your demonstration, re-video
- e. When you are satisfied with your video, make sure you save it with your Title, Name and Species

5. Submitting Your Video and Registration Form

- a. Deadline is **January 11, 2023**

Video Submission: *YouTube.com*

- Upload as **Unlisted** so that only you and the Florida State Fair have access.
- File Format must be .MP4 or .WMV
- Maximum length of any video is 10 minutes long (note your required listed times per age division)
