

**OUR MISSION
IS TO TEACH
THIRD GRADE
STUDENTS ABOUT
THE IMPORTANCE
OF AGRICULTURE.**

Students develop an understanding of the impact of agriculture in their every day lives. Your school will be assigned to one of our different tours that will have a balance of plant and animal science.

Students will participate in hands-on learning activities in five different stations between 10:20 a.m. and 12:20 p.m.

Students will need to bring a packed lunch. Your school will have an assigned area to place their students' lunches when they arrive at the fairgrounds.

Please let us know in advance of any students in need of special accommodations so we may assist accordingly.

LEARN

Join us for a one day, fun-filled learning adventure into the world of agriculture, designed especially for third grade students!

Ag-Venture is a learning experience designed to teach students about agriculture and the importance of where our food comes from, featuring a variety of group activities and hands-on stations.

In Hillsborough County, there is a large variety of agricultural learning opportunities. From bees to aquaculture to forestry, there is always something to touch, taste or see!

FLORIDA AGRICULTURE

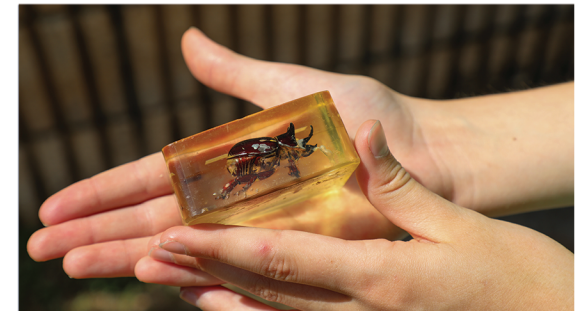

Students visit five stations representing different aspects of agriculture. Students can participate in a variety of hands-on activities ranging from beef and dairy animal stations to watermelon and strawberry crop stations. These stations vary from year to year to keep the program engaging.
