## Youth Livestock Market Record Book Guide Lines:

It is suggested that a copy of the record book be made for use as a Work Copy.  
Records can then be transferred into this book for a Final Copy.

Notes from the judge:

1. Your Record Book should start on the purchase date of your animal.
2. Record Books should be completed on animal relating to your Youth Steer or Youth Swine project.
3. The only item that you should submit at check-in is the record book. Please do not make it a scrapbook. Do not take pages apart.
4. Do not put record book in a binder. If you add pages, staple or tape them in place.
5. Always double-check your work, especially your math calculations.
6. Have someone check your project story for spelling and grammar before you write it in the final record book.
7. Your final record book should be **handwritten** by the exhibitor.
8. Market Record Books will be turned in at check-in.
