ABOUT THE YOUTH DOG SHOW

The Youth Dog Show was created to help develop character, knowledge, a sense of responsibility, and life skills in a 4-H, FFA, or YLPA youth project.

This show is organized and run by volunteers who make every effort to make it an enjoyable experience for all attendees.

Parents, Leaders, and Teachers can help us in several ways. Please make sure that all exhibitors are aware of all of the requirements for the classes in which they enter. Read the rules and class descriptions provided in this show booklet and address any questions for clarification to Samantha Richards at richards.samar@gmail.com. If this is your child's first show experience, ask his or her leader, teacher, or

trainer what to expect at a show, what to bring, and how best to prepare. It is the responsibility of the exhibitor to enter the dog and handler into the proper classes. Youth are responsible for reading the rules and complying. Consider volunteering to help at the show. We can always use more help inside and outside of the show ring.

GENERAL DISPUTES POLICY

With respect to any disputes which may occur with respect to an exhibitor at the show, such disputes shall be handled by the appropriate Livestock Committee (the “Committee”) in accordance with the following:

- 1. An exhibitor may file a protest with respect to another exhibitor for violation of the rules and regulations of the Committee and/or the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics by submitting a written protest (a “Protest”) on a form (the “Protest Form”) which will be available at the Agribusiness Department. The Protest must include the exact basis, cause, and description of the dispute, the name of the protesting exhibitor, the name of the exhibitor being protested, and any

materials in support of the Protest as well as any other matters which may be required in the Protest Form, and shall be accompanied by payment of \$50 which shall be refunded only if the Protest is sustained by the Committee. The Protest Form must be signed by the exhibitor (as the protesting exhibitor), and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor’s guardian or parent, unless the parent or guardian is not available under circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. Failure to properly sign the Protest Form shall deem the Protest Form incomplete and nullity, and in such event, the Protest will not be considered. Any Protest must be submitted (and received by the Agribusiness Department) at least two (2) hours prior to the time that the show is scheduled to occur in order to be considered prior to the show. If a Protest is submitted less than two (2) hours prior to the time that the show is scheduled to occur (“a “Late Submittal”), then the Committee will handle the Protest after the show in accordance with its rules and regulations and the IAFE National Code of Show Ring Ethics, but the Late Submittal shall not affect the award of ribbons for the show. In order to minimize disruption to the show, an exhibitor who intends to file a Protest should do so at the earliest feasible time. In any event, a Protest must be filed with the Agribusiness Department prior to the scheduled release hour for the protested exhibitor’s animal in order to be considered.

- 2. The Agribusiness Department will forward any Protest Form which is duly signed (by an exhibitor as the protesting exhibitor, and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor’s guardian or parent) and any accompanying materials submitted by the protesting exhibitor in support of the Protest to the Committee for its consideration. The Agribusiness Department will also notify the exhibitor being protested of the Protest as soon as reasonably practicable after the Protest has been duly submitted, and make available a copy of the written Protest to the exhibitor being protested. The exhibitor being protested may, but shall not be required to, provide a written response to the Protest (a “Response”) by submitting a Response to the Agribusiness Department, including any materials in support of the response to the Protest, and the Agribusiness Department shall provide the Response to Committee. A Response shall be on a form obtained from the Agribusiness Department and must be signed by the protested exhibitor, and if the protested exhibitor is a minor, the Response must also be signed by the protested exhibitor’s guardian or parent, unless the parent or guardian is not available due to circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. The Agribusiness Department shall make available a copy of the Response to the protesting exhibitor upon request by the protesting exhibitor, but it shall be the protesting exhibitor’s responsibility to monitor the Protest and to obtain a copy of the Response. The Agribusiness Department will attempt to notify the protesting exhibitor and the exhibitor being protested of the time of the Committee’s review and consideration of the Protest by calling their respective cell phone numbers if provided on the Protest Form and/or the Response Form, but it shall be the protesting exhibitor and protested exhibitor’s responsibility to monitor the Protest and obtain the time of the Committee’s review and consideration of the Protest and to be available at the time scheduled for the Committee’s consideration of the Protest. For any Late Submission, the Committee will handle the process for review of the Protest

after the show.

3. The Committee members present will review the Protest and the Response, if any, in the context of its rules and regulations and the IAFE National Code of Show Ring Ethics and will make a decision to resolve the Protest by a majority of the Committee members present. In the event of a tie vote, the Protest shall be deemed denied by the Committee. The decision of the Committee will be final.

4. The Committee also may apply and enforce its rules and regulations and the IAFE National Code of Show Ring Ethics, with respect to exhibitors at the show.

5. By entering the show, all exhibitors, and their respective parents and/or guardians, shall be deemed to have acknowledged and accepted this General Disputes Policy.

SHOWMANSHIP

Handlers are judged on teamwork and presentation of their dog - grooming - posing - gaiting. Appropriate showmanship attire and show lead are required. The use of products is discouraged.

Please Note: Exhibitors must show in at least one additional class besides showmanship (i.e. rally, obedience, or agility) to be eligible to compete in the Champion of Champions program. No Premiums will be paid for showmanship.

SHOWMANSHIP LEADS

Selecting the proper lead for your breed of dog often requires research. If you are able to attend an AKC Conformation Show, watch your dog's breed being shown in the ring. Note the style of collar generally used on your breed. Talking to a handler about your breed's collar and lead may be helpful. Often you can purchase a collar and lead appropriate for your dog from a vendor at the show site.

HANDLER APPEARANCE

Exhibitors should be clean, neat, and well-groomed. They should wear clothing that is comfortable to handle in and appropriate for dog shows. Clothing should not distract, limit, or hinder the judge's view of the dog. Official 4-H or FFA dress is acceptable. No heels or open-toed shoes are allowed due to safety issues.

Exhibitors should appear confident, prepared, businesslike, and attentive. They should be courteous to both the judge and other exhibitors. Exhibitors are expected to handle their dogs without distracting the dogs of the other exhibitors. Exhibitors should not crowd, and they should not distract others by continued use of toys and bait. Exhibitors should be alert to the needs of their dogs. They should use firm but thoughtful hands in controlling and handling their dogs. Exhibitors should not be impatient or heavy-handed.

JUDGING & CLASS PROCEDURE

Showmanship classes are judged on the ability of the exhibitor to handle his or her dog. The quality of the dog is not judged. Exhibitors will be asked to demonstrate:

- Moving the dog with the rest of the class.
- Presenting the dog in the standing position proper to its breed (including the use of an examining table for those breeds normally judged on a table).
- Moving the dog individually in a regular pattern.

Exhibitors are expected to know basic ring routines. They should be able to follow directions, use space wisely, and be familiar with gaiting patterns. Exhibitors should appear

“ring wise,” alert to what is going on in the ring, and should be prepared for changes in the routine of judging.

EXHIBITORS MUST BE ABLE TO CONTROL THEIR DOGS AT ALL TIMES. Any exhibitor who cannot control his or her dog will be excused by the judge.

CONFLICTS

Exhibitors may have a conflict between the judging of their showmanship class and the judging of another event. Once Showmanship Judging has begun, the exhibitor will have to make a decision as to where they will compete. An exhibitor may enter the showmanship class up until the time every exhibitor in the class has been examined and gaited. If an exhibitor starts to compete in the class and requests to be excused to exhibit in another event, he or she is permanently excused.

CLASSES

Basic - For the first-time handler and first-time dog in their first year of showing. **All participants, whether they place or do not place must move to Novice class during their second year of showing.**

Novice - Experienced handler with a basic dog or basic handler with an experienced dog, or handlers who have shown for one or more years with NO confirmation titles. **Any exhibitor who has won this class three (3) times with competition at a State Level Dog Show must move up to the Open (formerly Advanced) Showmanship class. No handler that has won level or earned titles in outside venues may show in this class.**

Open (formerly Advanced) – Experienced Handlers showing in Novice classes in AKC, UKC, etc., (but who have not yet progressed to the open or masters classes) may show in the open. Any exhibitor who wins the Open class three (3) times with competition at the state-level youth dog show must move to Excellent. Any Champion titled dog must show in the Open.

Excellent – Experienced Handlers showing in open or master's Classes in AKC, UKC, etc., OR who have won Best Junior three (3) or more times at any state-level youth dog shows or any outside venue must show in Excellent.

RALLY BASIC, NOVICE, ADVANCED & EXCELLENT:

Florida State Fair Youth Dog Show rally rules are based on AKC Rally Rules, as amended in November 2017. These rules, as well as the complete list of signs and performance requirements, can be found at http://www.images.akc.org/pdf/AKC1193_ROR001_1217_WEB.pdf

Please read these rules paying special attention to the principal parts of each exercise. The following modifications will be used when judging rally at this event.

RALLY ATTIRE

1. For Rally, all exhibitors will be required to be clean and neat and dressed in white, green, blue, or black jeans/slacks, or tan Khaki slacks with a solid white shirt with a white collar. FFA or 4-H accessories are strongly recommended.
2. No caps or hats.

3. Closed-toed shoes or boots are required.

At the show committee's discretion Novice, Intermediate, Advanced, and Excellent may be divided into A and B divisions. There are no A and B divisions for Basic. If A and B are offered, the A division is for dogs that have not earned any qualifying scores in Rally or Obedience from any outside venue (AKC, UKC, etc.). The B division is for handlers and/or dogs who have earned qualifying scores in Obedience from any outside venue or have earned qualifying Rally scores in the class they are entering. B is for handlers that have titled dogs in the class or titled dogs in any non-4-H venue (AKC, UKC, etc.) or if the team has won the A division in a previous year at the Florida State Youth Dog Show.

Dogs who have earned Rally titles in other venues shall enter the same class level they compete in those venues. For example, a dog who has earned qualifying scores in either the Rally Novice class (RN/ AKC) or Rally Novice in UKC (URO1/UKC) class must compete at that level regardless of the handler's experience. Once the handler earns an RN or URO1 title with any dog or the dog has earned an RN or URO1, they must move up to the next higher class or enter the B class.

Exhibitors who do not compete in other venues are encouraged to compete at the highest level they are safely able to.

BASIC

Basic is for first-year handlers with beginner dogs. If the dog has earned any qualifying scores in Rally or Obedience from any venue, they are not eligible to compete in Basic, regardless of the handler's level of experience. Basic Rally will compete on the same course and with the same requirements as Novice, *except that Basic Handlers may move one foot to finish their dog without receiving a penalty.*

NOVICE A

Novice A is for 2nd year or greater handlers or dogs with qualifying scores in Rally or Obedience from any recognized accredited outside venue (i.e., AKC, UKC, etc.). All exercises are judged on leash, and all dogs must enter, and leave the ring on leash.

The leash must be made of fabric or leather and must be long enough to provide adequate slack. Rally Novice must have between 10 to 15 stations (Start and Finish not included) with a minimum of three and a maximum of five stationary exercises per class. Signs 1 – 36 from the AKC Rally Regulations may be used.

NOVICE B

Novice B is for dogs and or handlers that have earned a Novice Title in Rally or Obedience in any accredited outside venue, or who have placed in the top four with a qualifying score above 170 in the Novice A class at a state event or previous fair.

INTERMEDIATE A

To be eligible for entry in this class dogs must have won the Rally Novice title but may not have earned a qualifying score in Rally Advanced. All dogs are judged on leash. Rally Intermediate must have 12 to 17 signs (Start and Finish not included) with a minimum of three and a maximum of seven stationary signs. Intermediate courses will have a minimum

of three Advanced level signs. There are no jumps in this class.

INTERMEDIATE B

This class is for dogs and handlers that have earned an Intermediate title but are not ready to perform off-leash.

ADVANCED

Advanced is for handlers ready to perform off-lead.

All exercises are judged off leash and all dogs must enter and leave the ring on leash. Rally Advanced must have between 12 to 17 stations (Start and Finish not included) with a minimum of three and a maximum of seven stationary exercises. Courses shall have a minimum of three Advanced level stations plus one required jump per class. Allowed jumps are the high jump, bar jump, and broad jump. Signs 1 – 118 from the AKC Rally Regulations may be used.

JUMP HEIGHTS FOR ADVANCED AND EXCELLENT

The dog's jump height shall be given on the entry form. Entries will be arranged according to the jump height of the dogs, from either high to low or low to high. The judge may allow handlers to run out of order to allow for conflicts at their discretion.

<u>Height of dog at withers</u>	<u>Height to be jumped.</u>
11 inches and under	4 inches
12 inches to 15 inches	8 inches
15 inches to 18 inches	12 inches
18 inches to 22 inches	16 inches
over 22 inches	20 inches

Broad jump is to be set at twice the height the dog jumps.

EXCELLENT

Excellent is for dog and handler teams ready to perform off-lead at a more advanced level. Dogs who have earned a qualifying score at the Excellent, or similar level, from any organization must enter this class.

All exercises are judged off-leash. All dogs must enter and leave the ring on a leash. Rally Excellent must have between 15 to 20 stations (Start and Finish not included) with a minimum of three and a maximum of seven stationary exercises. Courses shall have a minimum of three Advanced level stations and a minimum of two Excellent level stations, plus the two required jumps and the Honor exercise per class.

Unlike in the Rally Novice and Advanced classes, in Rally Excellent, handlers are not allowed to pat their legs or clap their hands to encourage the dog. Verbal encouragement, multiple commands, and/or inaudible signals using one or both arms and hands are allowed; the handler's arms need not be maintained in any particular position at any time. Handlers may not touch their dog or make any physical corrections.

GENERAL SCORING

Times will be recorded but not posted. Times will be used only to break ties for placements. The maximum number of points that can be deducted for any station is 10.

The following deductions shall apply:

1-point deduction for each of the following:

- Tight leash
- Dog interfering with handler
- Poor sits
- Slow, delay, or resistance to respond
- Touching or ticking a jump, pylon, post, or person
- Out of position

3-point deduction for each of the following:

- Repeat of a station—only one (1) retry of each station will be allowed for all class levels
- Pylon/post knocked over on Figure Eight, Spiral and Serpentine

- Dog that eliminates while in the ring for judging

***Incorrectly Performed (IP) stations** occur when a team attempts a station and fails to perform the principal parts of the station on the first attempt. The handler may choose to retry the station once, for a correct performance, accepting the mandatory 3-point deduction for the retry of the station. The station is considered an IP if the handler chooses not to retry or fails to perform the station correctly on the second attempt.

Luring – Luring/Pleading with the dog is a 3-point deduction per incident.

“Luring” is the appearance of having a reward in hand, or pretending to hold a treat between the thumb and first two fingers, etc. No treat needs to be present for a “luring” deduction. “Pleading” is repeated urgent commands and /or signals to elicit the proper behavior from the dog while the dog remains unresponsive to the handler’s commands and /or signals.

****Handler errors** can be assessed from 1 to 10 points. Handler errors can be assessed at any station or during movement between stations on a course. Once a handler has stopped on any halt exercise, the handler cannot move their feet to assist a dog without incurring a handler error.

Ribbons and Prizes are awarded at the discretion of the host club.

Alden and his wife Jo Ann were active in breeding and showing Basset Hounds in AKC shows. They understood the dog show world and the

opportunities it offered for children to excel in it. PHYLLIS WHITE BEST JUNIOR AWARD

The show began inside the Purebred Dog Tent, but over the years it grew by leaps and bounds. The Youth Dog Show is now held inside the Bob Thomas Equestrian Center Covered Arena. The Florida State Fair honors Phyllis White each year by presenting the Phyllis White Award to the Best Junior Exhibitor of the Showmanship division.

Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate

this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood, or other samples were taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample or urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or irritant substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed

representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expositions* and any special notices to members.

11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Dog Skills Video Instructions

Step 1: Define Your Audience

You should plan your video to demonstrate to other students and exhibitors who are in your age group. This year, your video needs to demonstrate one skill from the OBEDIENCE category. Your video needs to be 1-2 minutes long.

Step 2: Define a Clear Message

Write up a short script and plan possible props and backgrounds to use to demonstrate one skill and to show the teamwork between you and your dog. You can explain and demonstrate any OBEDIENCE skill you want to exhibit with your dog. (Remember to use appropriate collars.)

Step 3: Set Up

Team up with your friends and set up your background, props, and lighting for your video. Take practice clips to work out the shot - don't be so far away we cannot see you. Remember that background noises and wind will distract from your video presentation.

Step 4: Practice

Shoot a couple of long practice clips and share them with your friends or fellow dog project exhibitors to critique. (Again, you may help each other with the camera side of the project and take turns.)

Step 5: Be the Star of Your Own Show

Now create your final video to show your appropriate skill with your dog. Make sure to read the rubric to understand how your video will be graded. Make sure your video is the appropriate length of 1-2 minutes.
