

YOUTH ULTRA BRANGUS SHOW CLASSES

SPECIAL RULES AND REGULATIONS

Show Eligibility and Inspection of Exhibits

1. Animals must be purebred and registered in the International Brangus Breeders Association (IBBA) to be eligible to compete in the Association sponsored show. Both Red and Black Brangus are eligible to show.
2. Animals recorded in the appendix registry are disqualified.
3. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classifications and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.
4. Prior to check-in, heads of heifers must be clipped of all hair (including topknots) and be free of scurs and/or slick spots.
5. Any animal found to have scurs and/or slick spots or evidence of incisions, surgical or otherwise, in the following areas: head, navel or dewlap, will be disqualified from showing. Animals with illegal white (white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black) are ineligible to show at the Florida State Fair.
6. All bulls (shown as an individual entry) must be shown with a nose ring or nose restraint with lead attached.
7. All Brangus entries are subject to the provisions of a rule of the International Brangus Breeders Association entitled "Inspection of Exhibits," which can be found at gobrangus.com/shows.
8. Any animal upon check-in which does not have a legible tattoo or brand corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the Show. The tattoo/brand can be rechecked at the next available show.
