FLORIDA STATE FAIR

Champion of CHAMPIONS

YOUTH EDUCATION PROGRAM

SUPPORTING TODAY'S YOUTH TO BECOME

Tomorrow's Leaders

WHAT IS THE FLORIDA STATE FAIR *Champion of Champions* PROGRAM?

The Florida State Fair is proud to offer unique youth agricultural programs called Champion Animals & Champion Youth Exhibitors. The Champion Animal Program recognizes & rewards the youth that raise & exhibit champion animals. This emphasizes the importance of champion animal genetics, breeding & husbandry, as well as the tradition of livestock competitions at fairs around the nation. The Champion Youth program also recognizes & rewards Youth Exhibitors for participation in a wide variety of educational events & tasks. These include practicing record keeping, participating in hands-on skillathons, creating educational posters, attending workshops, submitting completed entry forms & more. Points are earned by attending these events, & the top 32 Senior Exhibitors with the most points at the end of the Fair are selected to compete in the final Round Robin Competition. The final competition culminates in the prestigious Champion of Champions banquet. Here, the program's exhibitors are recognized for their hard work, and the program's sponsors are thanked for their support.

"The Florida State Fair offers a variety of activities. Learning exhibits, shows that create unforgettable moments & memories. This year, my favorite exhibit was the Florida Agriculture Hall of Fame. I had an opportunity of seeing machinery & influential individuals through the years."

-Marissa

"Thank you for the effort you have made to many of the exhibitors of the Florida State Fair. This year's fair has proven to be very successful & has positively affected many exhibitors' experiences, including my own."

-Jaylee

"I'm extremely grateful for all the businesses & people who sponsored the Florida State Fair. The exhibitors would not have been able to show our projects. Participating in a livestock project has been a great learning experience. I would love to get more people involved in the livestock showing world & grow the industry for the better."

-Lexi

"I feel that I've grown more in confidence, knowledge, & passion for showing. This event was one of the best and one I will never forget. Your generosity has helped make this experience happen for me and many others."

-Alleyan

HOW WILL YOUR PARTNERSHIP BE USED?

Your partnership will support Youth Exhibitors by funding Achievement Premiums. When Youth Exhibitors earn points by attending educational events, they can convert their points into monetary Achievement Premiums at the conclusion of the Fair. Your partnership dollars help directly reward the 4-H, FFA and YLPA Youth Exhibitors for their hard work and encourage future profitable agricultural projects.

HOW WILL YOUR SUPPORT HELP?

Your support will benefit over 1,300 future leaders from across the state by encouraging their interest to pursue one of the most fundamental traditions of the Fair. By becoming a sponsor, you can help keep the practice of exhibiting champion animals alive for future generations to come.
